

BIODEGRADABLE | COMPOSTABLE
SUSTAINABLE SOLUTION

INDIA'S LARGEST ECO FRIENDLY TABLEWARE MANUFACTURER

BIODEGRADABLE AND
COMPOSTABLE WITHIN 90 DAY

ABOUT US

Since 2022, Panchvan Group has always aimed to provide best packaging and dining solutions to the food and QSR industry in India. In our quest to constantly innovate and provide the best, Panchvan Group is proud to present to you our very own green initiative of Compostable tableware, Panchvan

Panchvan was born from the realisation that instead of living in green and pure Earth, we are surrounded by pollution, wastage and a deteriorating environment. Every action has a reaction and every change has an impact. Panchvan is new age reusable and recyclable tableware, created to cast a green reflection of today on to tomorrow. Through Panchvan, we can create a smart, safe and a pure Earth and live as one with nature.

OUR VISION

To be leading company in manufacturing natural plant fiber and other green packaging products for better health of consumers both domestically and internationally and for sustainable environment. We wish to bring about a positive change in the way we live by altering the way we think to make the environment a happier and healthier space to function from. Through Panchvan we wish to create a smart, safe and Earth.

GLOBAL FOOTPRINT

Panchvan (Ashtvinayak Ind.) follows world trends in packaging and aims for customer satisfaction on product quality with shorter lead times.
